

# Automotive Mechanic

## Description

1. AUTOMOTIVE MECHANIC
2. As the Automotive Mechanic in our client's repair shop, you'll troubleshoot, diagnose and repair automotive vehicles. You'll be a key leader in the shop, with the opportunity to apprentice junior mechanics and support the general operations in the shop by helping maintain the shop environment.
3. Work location is Killarney, MB.
4. WHAT WE CAN OFFER YOU:
  - Competitive wage scale with annual performance-based bonuses.
  - Full health and dental benefits.
  - RRSP matching program.
  - Well established shop setting and equipment.
  - Opportunities for training, professional development, and career growth.
  - Uniforms available, 50% paid by employer.
  - All PPE (besides steel toed boots) provided

## Duties

### WHAT YOU WILL DO:

- Complete thorough and quality diagnostics, service, maintenance, necessary repairs to vehicles, and wheel alignments.
- Travel for service calls as needed, providing efficient on-site troubleshooting and repairs.
- Complete MPI Safety Inspections and repairs associated with safeties.

## Closing Date

July 9, 2024
