

Youth Intern

Description

We are seeking a motivated and enthusiastic Youth Intern to join our team. This internship program is designed for high school or college students looking to gain practical experience in the land management industry. The Youth Intern will assist in various projects, gain valuable skills, and contribute to our mission.

Duties

- Assist with the planning and execution of our 20th Anniversary Conference
- Support the development of marketing materials and social media content to engage audiences.
- Participate in team meetings and contribute ideas for program improvement and outreach strategies.
- Help coordinate events, workshops, and activities aimed at engagement and development.
- Conduct research on various land management programs.
- Shadow team members to learn about various roles and responsibilities.
- Complete any administrative tasks as needed, such as data entry and file organization.

Qualification

- Current high school or college student
- Proficient in basic computer skills, including Microsoft Office Suite (Word, Excel, Outlook).
- Strong interest in indigenous relations, construction, and land management
- Excellent verbal and written communication skills.
