

## Drywall Installer and Finisher (NOC: 73102)

### Description

#### About Us:

NexGen Drywall Ltd. has proudly served Western Canada and the Northern Territories for over 12 years, establishing itself as a leader in drywall solutions. We specialize in providing top-quality products and services to both residential and commercial developers. Our dedication to integrity, craftsmanship, innovation, and client satisfaction distinguishes us in the industry. Known for completing projects on time, within budget, and to the highest standards, we continue to set the bar in drywall construction.

#### Job Description:

We are currently seeking a skilled Drywall Installer and Finisher to join our dynamic team. The successful candidate will play a crucial role in our projects, ensuring the timely and precise installation and finishing of drywall in both residential and commercial settings.

#### Responsibilities:

- Accurately measure, cut, and install drywall panels on walls and ceilings.
- Secure drywall sheets to wooden or metal framing using appropriate tools and techniques.
