

## Construction Labourer and Helper

### Description

Geller's Enterprises Ltd. is an award winning design, build and maintenance landscape company completing both residential and commercial work. While we specialize in luxury, resort style residential outdoor spaces, we complete projects both large and small in both residential and commercial sectors.

We are proud to be family owned and operated throughout our ownership and management group, creating a work environment that promotes the development of long term employees. We offer continued education industry programs, company profit sharing, full health, vision and dental benefits, an RRSP matching program and quarterly company events.

We employ a staff of 100 during our build season offering a variety of services consisting of design, construction, and maintenance on a year-round basis for outdoor landscape spaces. As an equal opportunity employer, we believe having fun at work is essential to running a successful business.

We offer an exciting and motivating profit sharing system to boost your wage well beyond industry leading hourly rates. We are highly organized, efficient and goal orientated. We offer year-round employment for staff members wanting full time work.
