The Opportunity:

We are looking for a Service Route Driver to join our team. The mission of the role is to deliver, maintain, and service portable restrooms and sanitation equipment so that people have clean, reliable, and respectful places to take care of basic needs, wherever they are. On paper it's about service and sanitation. In reality, it's about being the unseen caretaker of human comfort and dignity.

This position reports to the Route Service Supervisor. We have a structured training program that includes training on the operation of the truck and systems, cleaning procedures, and best practices for customer service.

- We hire people we will enjoy working with because we enjoy our work. We work too closely together to tolerate people with negative attitudes!
- We find our work fun and rewarding
- We are real, genuine people, no fakery. We deal with human waste, it doesn't get more real than that.
- We help each other..sometimes that means taking extra work to balance the load, and sometimes it means providing insight on job sites we've been to before
- We enjoy the freedom and the accountability of working in a truck alone
- We have many people who rely on our expertise and diligence to get the job done, and we take pride in being there for them
- We talk to each other respectfully and we respect the company structure
- We believe that everyone in the company is working to be their best for King's
- We live our core values. If you don't have a positive attitude, don't apply!
- We aren't perfect. We have bad days and bad moments, but we learn from it and move on.
