

## Race Horse Groom

### Description

Start your journey in the exciting world of horse racing ! Learn how to be a horse race groom through this paid **Racehorse Groom Training Program** offered by HBPA of Manitoba with funding from the Government of Manitoba!

Participants will receive:

- **1 week of classroom instruction**
- **3 weeks of hands-on barn training**

Upon successful completion of the Racehorse Groom Training Program, participants will be job-ready and positioned to move directly into grooming roles as opportunities with trainers arise. Various start dates for the course will be accommodated (determined upon acceptance into the program) between **March 15th and April 30th**

### Duties

Being a racehorse groom is a physically demanding job that requires dedication. You must be able to work in all weather elements from wintery conditions during spring training, to warmer temperatures in the summer.

The course will teach you how to muck stalls, provide proper fresh bedding, feed, brushing and maintaining horse cleanliness, cleaning tack, and
