

General Handyman

Description

Hiring: All-Around Handyman for Barn Renos & Farm Repairs

Are you handy with a hammer, a wrench, and a trowel? We are looking for reliable workers to join our barn renovation crew. We don't just do one thing—we fix everything!

Duties

The Work Includes:

- **Structural:** Roofing, siding repairs, and window installs.
- **Interior:** Tile work, plumbing/toilet installs, and stall repairs.
- **Farm Systems:** Fixing feeders, gates, and barn equipment.
- **General:** Anything it takes to get a barn back in top shape.

Qualification

What We're Looking For:

- Experience in basic construction/carpentry.
- General plumbing and tiling knowledge is a huge plus.
- Reliable transportation to job sites (Rural Manitoba area). Ability to work independently and solve problems.
