Arborist / Ground worker

Description

This is a great opportunity for someone who enjoys working outdoors, values safety, and wants to build a career in the arboriculture industry. You'll be assisting arborists with day-to-day operations and helping maintain a safe and efficient job site.

Our company employs climbing arborists, ground workers, and plant health care technicians. We specialize in pruning, removals, planting and plant health care. We provide our employees with a healthy and safe work environment, competitive wages and a benefit program. We also encourage employees to continue to develop their skills with ongoing training.

Duties

- Assist arborists with tree removals, pruning, and other arboricultural tasks
- Prepare and clean up job sites before and after work
- Drag and chip brush, operate ground equipment (chipper, chainsaw, etc.)
- Operate larger vehicles, towing trailers and operating stump grinding equipment
- Maintain a clean and organized work area
- Follow all safety protocols and company procedures
- Provide stellar customer service

Qualification

- *Education*: Completion of High School. University of Manitoba Arboriculture Course or equivalent
