

Automotive Technician

Description

We are seeking a reliable and motivated Automotive Technician to join our team. The ideal candidate is detail oriented, takes pride in quality workmanship, and works well independently and as part of a team. Experience with vehicle diagnostics and electrical systems is considered a strong asset.

Duties

- perform inspections, maintenance, and repairs on a variety of vehicles
- diagnose mechanical, electrical, and drivability issues
- complete brake, suspension, steering, exhaust, and engine repairs
- use diagnostic scanners and tools to identify vehicle problems
- perform routine maintenance services such as oil changes, tire installations, and fluid checks
- test and repair automotive electrical systems, wiring, batteries, starters, air conditioning, and alternators
- communicate findings and repair recommendations clearly
- follow safety procedures and keep work areas clean and organized
