

AME - Line Maintenance 72404 - Winnipeg

Description

Job Description

Established in 1960, Perimeter Aviation LP is a diversified company that is a subsidiary of the Exchange Income Corporation which has recently grown through the merger with Bearskin Airlines. With approximately 900 employees, we operate a fleet of 45+ aircraft including the Metro 2, 3, 23, Merlin and Dash 8 aircraft. We are based in Winnipeg and Thompson, Manitoba as well as Sioux Lookout, Timmins, Thunder Bay, and Toronto Ontario. We provide scheduled passenger and freight services to Northern Manitoba and Northern Ontario, 24/7 North American charter services, Medical evacuation services and a full-service maintenance facility including design engineering, NDT, and Garrett turbine engine services.

We are a Canadian company, proudly building a diverse workforce that is driven by a shared sense of community, customer service and a dedication to safety. We're fostering a culture where our employees will feel proud of the work they do and the company they work for. We seek employees with a positive attitude in providing excellent service to the communities in our network.
