

Paint Protection Film and Window Tint Installer

Description

204 Customs is seeking a skilled and detail-oriented Window Tint & Paint Protection Film (PPF) Installer to join our team. The successful candidate will be responsible for installing automotive window tint and paint protection film on various vehicle makes and models while maintaining high standards of quality and workmanship.

Duties

- Install automotive window tint and paint protection film (PPF).
- Prepare vehicle surfaces through cleaning and decontamination.
- Inspect completed work to ensure quality standards are met.
- Maintain a clean and organized work area.
- Follow company procedures and safety standards.

Qualification

- Class 5 license required.
- Minimum 1 year of experience in window tinting and PPF installation.
- Strong attention to detail and ability to produce high-quality work.
- Ability to work independently and as part of a team.
